Dear Chairman Abney and members of House Finance

I am writing in support of Speaker Shekarchi's Bill, H5223, which would allow the State of RI to enter into a long-term economic development agreement with IGT and Twin River.

I think that this will be great for the state's economy and our long-term fiscal health.

In Addition, this agreement will guarantee that thousands of Rhode Islanders will have access to good paying employment opportunities right here in our great state.

I hope that you will send this bill to the House floor with a recommendation for passage.

I love living and working in Rhode Island, my family and co-workers need to have the job security that will allow us all to be successful. The approval of this Bill can help make this happen. We need your support.

Sincerely
